"PREPARED BY AND FOR THE CAST OF WALT DISNEY WORLD"

MAY 18, 1979

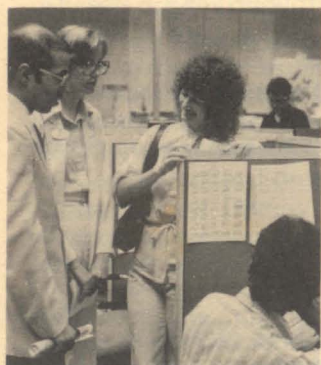

LET'S BETTER SERVE OUR GUESTS WITH FOREIGN LANGUAGE ASSISTANCE

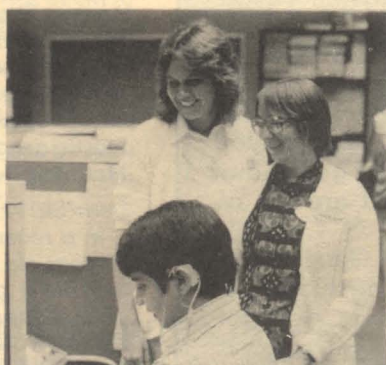

In our business, our main objective is to serve our guests well. And what better way could we find to tell the thousands of foreign visitors that come here each year that we're glad they came, than to tell them in their own native language?

In many cases communicating with our guests is not just a nice gesture, it is a necessity. Picture yourself in a foreign country, with little or no knowledge of the language. Instant relief would come the moment someone greeted you in English!

For that reason our **Foreign Language Center** was created last year as part of our Central Reservations Office. Hosts and hostesses at the Foreign Language Center are able to interpret information and assist our guests in a number of ways.

Wayne Wincey, Debbie Voolgaris, Tereasa Searle and Leo Zapata.

Jeannie Mathys, Debbie Bushnell and Edgar Roquel.

Leads Learn About Foreign Language Center

To help cast members throughout Walt Disney World better understand the services Central Reservations and the Foreign Language Center extends to our guests, leads from all over Walt Disney World and Lake Buena Vista have been participating in an orientation of the area. After spending a few hours at CRO and the Foreign Language Center they know how the Foreign Language Center can help them help our guests.

If a guest does not speak English but needs assistance, simply call our Foreign Language Center at 824-7900 and one of the hosts or hostesses will talk with the guest over the phone. The Foreign Language Center cast is fluent in **French** and **Spanish** and some members can understand Portuguese and Italian to a limited extent. These hosts and hostesses are well equipped to answer all the

guests' questions; they each were required to complete a five-week training period where they toured the entire property to learn everything about Walt Disney World.

If foreign guests want information about merchandise, restaurants, or attractions, or would like reservations, just have them call the Foreign Language Center!

Frieda Arroyo, one of our Spanish speaking hostesses at the Foreign Language Center told the visiting leads that she has also helped our guests by traveling to Orange Vista Hospital to translate for a guest who was ill. In some cases, Frieda said she has helped translate for fellow cast members who speak little or no English when they have become ill and needed to go to First Aid. Frieda also said she has occasionally helped our Casting Department by translating for Spanish speaking applicants.

The other members of our Foreign Language Center told the visiting leads that they have also assisted foreign guests by making flight reservations, arranging car rentals, and just about anything that would help make their stay more enjoyable!

The Foreign Language Center Can Help You!

Wherever you work at Walt Disney World, you probably come in contact with one of our foreign guests from time to time. If you are unable to communicate with them, call the **Foreign Language Center** at extension 7900 and ask for their assistance! Someone is always available from 9 a.m. to 6 p.m., **seven days a week**. By calling the Foreign Language Center, you'll make our guests stay even better!

Dear Cast Members:

As part of our Energy Conservation Program, all air-conditioned areas at Walt Disney World must be set at **78 degrees or warmer**.

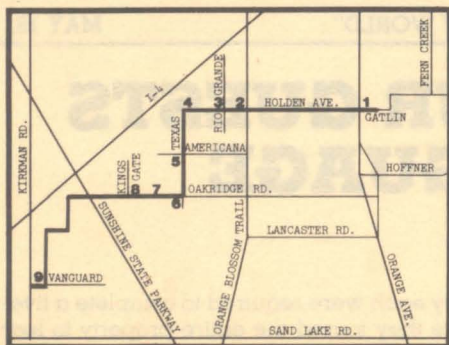

Facilities personnel are making the necessary adjustments to thermostats throughout the property. But we need the cooperation of **every** cast member to **keep** our thermostats at 78 degrees or above.

Thank you for your help.

Bob Allen
Vice President
Walt Disney World

EXPRESS YOURSELF . . . TO WORK!

Our **Express Bus Service** from the South Orlando area to Walt Disney World acquires more and more passengers each day. This bus service, provided by Walt Disney World and Orange, Seminole, Osceola Transportation Authority exclusively for Walt Disney World cast members, offers cast members an alternative way of traveling to and from work as well as a way to conserve fuel!

The Express Bus Service costs **90¢ one way, \$1.80 round-trip**, and has nine stops along the route to pick up cast members. But to make the service even more convenient for cast members a few changes are going into effect.

CAST GAS STATION

We were all very pleased when our new Cast Gas Station opened, especially after working hard to receive a monthly gasoline allocation and approval to open from the Department of Energy.

As you know, our Cast Gas Station opened at a time when our country is experiencing gasoline shortages. Our station has had to face the same problem every gas station is facing . . . how to make a reduced gasoline allotment match the increasing demand for gasoline. And, unfortunately, **due to the high demand for gas at our station, we have used up our monthly allocation and are out of gasoline.**

We will continue to try to get more gasoline for the Cast Gas Station, but we're not sure we can. In the meantime, we will be developing a system, to go into effect in June, that we hope will allow everyone to get gas up to the end of the month. We'll communicate this to you as soon as possible.

Once again, we want to encourage you to do everything you can to conserve gasoline by seriously considering alternate ways of traveling to and from work. Try our new Express Bus Service, form a Van Pool, look into the Share-A-Ride program, or take advantage of Carpooling. **IF EVERYONE FOUND JUST ONE PERSON TO RIDE TO WORK WITH EACH DAY, WE COULD CUT GASOLINE CONSUMPTION IN HALF.**

If you would like to try our Express Bus, form a Van Pool, or ride in a Carpool, but can't because of some problem, please see your supervisor who will try to work things out so you can get to work by one of these methods.

Thank you for your cooperation and understanding during this difficult time.

And please, plan ahead . . . **please conserve!**

Beginning immediately, the first Express Bus Service will drop cast members off at the tunnel entrance! No more catching the cast shuttle from the North Service Area to get to the tunnel. You'll arrive at the tunnel at **7:45 a.m.** with plenty of time to change into your costume, or maybe stop for a quick breakfast snack!

For the return trip home, our Express Bus Service will pick cast members up at the tunnel at **4:45 p.m., 7:15 p.m., and 9:15 p.m.**, allowing more time to change costumes and walk to the bus stop.

Beginning on **Monday, May 28**, the Express Bus Service will begin morning departures from Orlando **five minutes earlier**. This is to insure that all cast members will arrive at Walt Disney World with plenty of time to change and report to work. The arrival times and departure times from Walt Disney World will remain the same.

We hope you're enjoying our new Express Bus Service, and if you haven't given it a try, why not ride it tomorrow? It just might be the answer to **your** transportation needs. Stop by Cast Activities **today** to pick up a route map and bus schedule!

IMMEDIATE OPENING IN VAN POOL

There are immediate openings in our cast **Van Pool** which commutes daily from the **Azalea Park** area to Walt Disney World. If your zip code is **32807** and you work **6 a.m. to 2:30 p.m.** with weekends off, then call **Dave Jaskiewicz** in Cast Activities, 824-4254. He'll explain the concept and your projected savings as a member of this new program. So call today!

SUMMER UPDATE '79

This is your opportunity to learn what's happening throughout our Company in the busy summer months ahead as well as during the entire year to come! Plan on attending. Our Summer Updates will be presented **May 29 through June 7**. Watch next week's **EYES & EARS** for more details!

LETTERS TO US

Ed. Note: Among the thousands of letters we receive each week are several which express the joy that all cast members bring to our guests so well, that we feel they must be shared with each and every one of you. One letter we recently received contained a poem written about a fourth grader's experiences on Space Mountain.

Dear Sir:

In a recent 4th-grade assignment, our 10-year-old daughter Barbara was asked to write a poem about any place she'd ever visited. Florida, and even Walt Disney World, are too large to encompass in one short poem, so she chose to write about her favorite ride, Space Mountain.

"Space Mountain is the kind of ride
that makes you wish you'd stayed outside;
A coaster ride that's not a bore,
with G's that push you through the floor;
With stars and comets shooting past;
the ups and downs are super-fast;
So frightened by the rocket's roar,
I only rode it six times more!"

With fond memories,
Mrs. T.V. Cousland
Emmaus, Pennsylvania

Your kind expression of sympathy is acknowledged by the family of **Mrs. Mable Brown**.

CAST ACTIVITIES

NEWS

SPRING FESTIVAL AT THE LAKE THIS SUNDAY

All Cast Members Are Invited To Our Annual Employee Art Festival And Grand Splash Picnic At Little Lake Bryan

It's the end of May and the beginning of summer, and that means time for our annual grand opening of Little Lake Bryan, our **Spring Festival at the Lake!**

You, your family and guests are invited out to the lake for a day of viewing our cast art show, eating low priced food and ice cream, swimming in the new swimming pool, boating in the lake and lazing under the sun on the beach. There'll be games for the kids, volleyball for all, and plenty more!

And it's all set for **Sunday, May 20**, at Little Lake Bryan. The day's activities will get underway at **10 a.m.**, and we highly suggest you plan on bringing your **own** lounge chairs and umbrellas, as we are expecting more people than the lake's supply of chairs can accommodate. See you at the lake Sunday!

RAFT THE INCREDIBLE "OCOEE" IN JUNE

After two years of rafting some of the best rivers the East has to offer, many cast members have picked the Ocoee River as their favorite . . . and no wonder . . . with non-stop roller coaster and standing waves measuring Class III to Class IV from beginning to end, the Ocoee offers some of the wildest rafting around!

And you can get in on all the fun and wet action this June, as the **Snow Skiing Club** kicks off its summer calendar of White Water Rafting Expeditions!

This first trip of the season will depart Orlando on **Friday evening, June 15**, returning early **Monday morn-**

ing, June 18. On Saturday you'll spend the day getting your "sea legs" under you on the intermediate *French Broad River*, followed by two rides Sunday down the advanced Ocoee River. And don't worry if you've never rafted before . . . expert guidance and professional equipment will be supplied by **Smokey Mountain River Expeditions, Inc.**

The total price is **\$140 per person**, which includes . . . round-trip transportation on a chartered Greyhound bus (our favorite driver, **Don Bowling** is set to take us there), breakfast on arrival, rafting all day Saturday with lunch mid-way, a super steak dinner that evening served on the banks of the river at camp headquarters, overnight accommodations at a local Holiday Inn (based on double-occupancy), full buffet breakfast Sunday morning, and two trips down the Ocoee River with lunch in between!

Cast Activities will begin accepting **reservations** on Tuesday morning, May 22, with a **\$50 deposit**. Seating is limited, so drop by right away with your deposit. This trip is open to all Disney cast members, their families or a guest. Call either **Dent** or **Arla** in Cast Activities at 824-4254 for full details.

WE'RE LOOKING FOR GOLFERS FOR NEW LEAGUE

Cast Activities is interested in starting a **Men's and Women's Afternoon Golf League** at the Lake Buena Vista Club. And we want your opinions up front, to judge the acceptance of such a venture.

Actually, there would be two leagues . . . one for men and one for women. Here's how it would operate: You sign up as a **team** (no mixed teams, please) playing **nine holes** on the league's reserved afternoon. Pick your own tee-time, but no earlier than 4 p.m. that day. The fee would include greens fee and cart, with rental clubs and shoes at a small additional price.

The league would operate for **eight weeks**. After each week's play, you turn your score card into the club pro who will publish weekly rankings within your league. Then at the end of the eight weeks, all players will be invited to an awards party, perhaps a league playoff tournament as well.

To show us whether you are interested in playing in this league concept, please call Cast Activities at 824-4254. All we need at this point is your name, address and best afternoon to play. If the interest is there, we'll get back in touch with details.

So talk it up with your friends and give us a call. And by the way, the league would be a **best-ball format**, so **beginners** are urged to join also!

SPORTSMAN'S ASSOCIATION CAMPOUTS AND TOURNAMENTS SET

Both the **Bass Team** and **Campers** in the Sportsman's Association have activities planned for the weeks ahead. Let's have a look at both:

• **Campers** will be holding their next outing the weekend of **June 8 and 9** in Nobleton, Florida, at the **Duval Campgrounds**. The rates are \$2.75 plus tax (with electrical hookup ranging from \$3.90 to \$4.40).

A canoe trip on the **Withlacoochee River** is also planned. Check with **Phil Williams** in Property Control (ext. 4878) for details and prices.

The deadline to sign up in Cast Activities is Friday, June 1st.

• **Bass Team** members have set their next Bass Tournament up for **Saturday, June 16**, on the **Winter Haven Chain of Lakes**. And don't forget their **Fish Fry** at Little Lake Bryan on June 23rd, and **Father/Son or Daughter Tournament** on July 29th.

Volunteers are also needed to build a Sportsman's Association display to be used at public functions to tell the club's story. Call **Gary Smith** at 828-2518 for details.

W.D.W. MIXED OPEN ANNOUNCED

All Disney golfers are invited to play in the **W.D.W. Mixed Open**, sponsored by the Lake Buena Vista Club, on **Sunday, June 17**.

There are also a limited number of clubs (\$3) and shoes (\$1) available through the club. These rentals should be noted on your entry form.

The tournament will get underway with a shotgun start at **12:30 p.m.** on the Lake Buena Vista course. However, all players should arrive early to receive pairing.

Participation is limited to the first

160 entrants, with the format to be a mixed-scramble (best-ball) affair.

Immediately following the tournament, an awards party will be held at Little Lake Bryan. On hand will be pizza, beverages and the announcement of winners of the following prizes:

- Two-day and one-night Mini-Vacation for each member of the four-man top team in a Treehouse Villa at Lake Buena Vista.
- The second place team will each get a \$25 gift certificate.
- Third place members get a \$15 gift certificate.

If you are interested, sign up with your \$9.00 fee at Cast Activities. The group will leave from Denny's on International Drive at 5:30 a.m.

And don't forget tonight's party at the Cypress Woods Condominiums Clubhouse, on Conroy off Kirkman. Refreshments will be served. This party is for all Walt Disney World Dive Club members and their guests as well as graduates of the last dive class. The fun starts at 7:30 p.m. See you all there!

Therefore, all managers/captains of the current **men's** softball league teams should have an entry card for **each** member of their teams. Each card should only bear one name, and be on a 3" x 5" index card. Details should include player's name, address, home phone and team he currently plays on.

The actual drawing will be on Thursday, May 24, at 4 p.m. in Cast Activities.
